The Board may at any time repay the amount so advanced upon giving to such Shareholder not less than one (1) Month's notice in writing of its intention on that behalf, unless before the expiration of such notice the amount so advanced shall have been called up on the Shares in respect of which it was advanced.

The transferor shall be deemed to remain the holder of the Share until the name of the transferee is entered in the Register in respect thereof. Nothing in these Articles shall preclude the Board from recognising a renunciation of the allotment or provisional allotment of any Share by the allottee in favour of some other person. Execution of transfer
- 38 (a) The Board may, in its absolute discretion at any time and from time to time, remove any Share on the principal Register to any branch Register or any Share on any branch Register to the principal Register or any other branch Register. - 39 Fully paid Shares shall be free from any restriction with respect to the right of the holder thereof to transfer such Shares (except when permitted by the Designated Stock Exchange) and shall also be free from all liens. The Board however, may, in its absolute discretion, refuse to register a transfer of any Share which is not fully paid to a person of whom it does not approve or any Share issued under any share option scheme upon which a restriction on transfer imposed thereby still subsists, and it may also refuse to register a transfer of any Share (whether fully paid up or not) to more than four (4) joint holders or a transfer of any Shares (not being a fully paid up Share) on which the Company has a lien. Directors may refuse to register a transfer

- (b) the instrument of transfer is lodged at the Registered Office or, as the case may be, the Transfer Office accompanied by the certificate of the Shares to which it relates, and such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer (and, if the instrument of transfer is executed by some other person on his behalf, the authority of that person so to do);
- (c) the instrument of transfer is in respect of only one class of Share;
- (d) the Shares concerned are free of any lien in favour of the Company; and
- (e) if applicable, the instrument of transfer is properly stamped.

- 41 If the Board shall refuse to register a transfer of any Share, it shall, within two (2) months after the date on which the transfer was lodged with the Company, send to each of the transferor and the transferee notice of such refusal and, except where the subject Share is not a fully paid Share, the reason(s) for such refusal. - 42 Upon every transfer of Shares, the certificate in respect thereof held by the transferor shall be given up to be cancelled, and shall forthwith be cancelled accordingly, and a new certificate shall be issued to the transferee in respect of the Shares transferred to him as provided in Article 18, and if any of the Shares included in the certificate so given up shall be retained by the transferor a new certificate in respect thereof shall be issued to him as provided in Article 18. The Company shall retain the instrument of transfer. Certificate to be given up on transfer
- 43 The registration of transfers of shares or of any class of shares may, after compliance with any notice requirement of the Designated Stock Exchange, be suspended at such times and for such periods (not exceeding in the whole thirty (30) days in any year) as the Board may determine. If he shall elect to have his nominee registered, he shall testify his election by executing a transfer of such Share to his nominee. All the limitations, restrictions and provisions of these Articles relating to the right to transfer and the registration of transfers of Shares shall be applicable to any such notice or transfer as aforesaid as if the death, bankruptcy or winding-up of the Shareholder had not occurred and the notice or transfer were a transfer executed by such Shareholder. The notice shall also state that, in the event of non-payment at or before the time appointed, the Shares in respect of which the call was made will be liable to be forfeited. Such forfeiture shall include all Dividends and bonuses declared in respect of the forfeited Share and not actually paid before the forfeiture. The Board may accept the surrender of any Share liable to be forfeited hereunder and in such cases references in these Articles to forfeiture shall include surrender. Arrears to be paid not withstanding forfeiture
- 53 A certificate in writing that the declarant is a Director or the Secretary, and that a Share has been duly forfeited or surrendered on a date stated in the certificate, shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the Share. The Company may receive the consideration, if any, given for the Share on any re-allotment, sale or disposition thereof and may execute a transfer of the Share in favour of the person to whom the Share is re-allotted, sold or disposed of and such person shall thereupon be registered as the holder of the Share, and shall not be bound to see to the application of the subscription or purchase money, (if any), nor shall his title to the Share be affected by any irregularity or invalidity in the proceedings in reference to the forfeiture, re-allotment, sale or disposal of such Share. Evidence of forfeiture and transfer of forfeited share
- 54 When any Share shall have been forfeited, notice of the forfeiture shall be given to the Shareholder in whose name it stood immediately prior to the forfeiture, and an entry of the forfeiture, with the date thereof, shall forthwith be made in the Register, but no forfeiture shall be in any manner invalidated by any omission or neglect to give such notice or make any such entry. Notice after forfeiture
- 55 Notwithstanding any such forfeiture as aforesaid the Board may at any time, before any Shares so forfeited shall have been re-allotted, sold or otherwise disposed of, cancel the forfeiture on such terms as it thinks fit or permit the Shares so forfeited to be bought back or redeemed upon the terms of payment of all calls and interest due upon and expenses incurred in respect of the Shares, and upon such further terms (if any) as it thinks fit. A proxy need not be a Shareholder of the Company. On a poll or a show of hands votes may be given either personally (or, in the case of a Shareholder being a corporation, by its duly authorised representative) or by proxy. A proxy shall be entitled to exercise the same powers on behalf of a Shareholder who is an individual and for whom he acts as proxy as such Shareholder could exercise. In addition, a proxy shall be entitled to exercise the same powers on behalf of a Shareholder which is a corporation and for which he acts as proxy as such Shareholder could exercise if it were an individual Shareholder. Proxies
- 82 No appointment of a proxy shall be valid unless it names the person appointed and his appointor. The Board may, unless it is satisfied that the person purporting to act as proxy is the person named in the relevant instrument for his appointment and the validity and authenticity of the signature of his appointor, decline such person's admission to the relevant meeting, reject his vote or, in the event that a poll is demanded after the chairman of the meeting allows a show of hands pursuant to Article 68, his demand for a poll and no Shareholder who may be affected by any exercise by the Board of its power in this connection shall have any claim against the Directors or any of them nor may any such exercise by the Board of its powers invalidate the proceedings of the meeting in respect of which they were exercised or any resolution passed or defeated at such meeting.

No instrument appointing a proxy shall be valid after the expiration of twelve (12) Months from the date of its execution, except at an adjourned meeting where the meeting was originally held within twelve (12) Months from such date. Delivery of an instrument appointing a proxy shall not preclude a Shareholder from attending and voting in person (or in the case of a Shareholder being a corporation, its duly authorised representative) at the meeting concerned and, in such event, the instrument appointing a proxy shall be deemed to be revoked. Appointment of proxy must be deposited

- 85 Every instrument of proxy, whether for a specified meeting or otherwise, shall be in any common form or in such form as the Board may from time to time approve, provided that it shall not preclude the use of the two-way form. Any form issued to a Shareholder for use by him for appointing a proxy to attend and vote at ~~an extraordinary general meeting or at an annual~~ a general meeting at which any business is to be transacted shall be such as to enable the Shareholder, according to his intentions, to instruct the proxy to vote in favour of or against (or, in default of instructions, to exercise his discretion in respect of) each resolution dealing with any such business. Form of proxy
- 86 The instrument appointing a proxy to vote at a general meeting shall: (i) be deemed to confer authority upon the proxy to demand or join in demanding a poll and to vote on any resolution (or amendment thereto) put to the meeting for which it is given as the proxy thinks fit; and (ii) unless the contrary is stated therein, be valid as well for any adjournment of the meeting as for the meeting to which it relates. Authority under instrument appointing proxy
- 87 A vote given in accordance with the terms of an instrument of proxy or by the duly authorised representative of a corporation shall be valid notwithstanding the previous death or insanity of the principal or revocation of the proxy or power of attorney or other authority under which the proxy was executed or the transfer of the Share in respect of which the proxy is given, provided that no intimation in writing of such death, insanity, revocation or transfer as aforesaid shall have been received by the Company at its Registered Office, or at such other place as is referred to in Article 84, at least two (2) hours before the commencement of the meeting, or the taking of the poll, or adjourned meeting at which the instrument of proxy is used. When vote by proxy valid though authority revoked
- 88 (a) Any corporation which is a Shareholder may, by resolution of its directors or other governing body or by power of attorney, authorise such person as it thinks fit to act as its representative at any meeting of the Company or of any class of Shareholders of the Company, and the person so authorised shall be entitled to exercise the same rights and powers on behalf of the corporation which he represents as that corporation could exercise if it were an individual Shareholder of the Company. References in these Articles to a Shareholder present in person at a meeting shall, unless the context otherwise requires, include a corporation which is a Shareholder represented at the meeting by such duly authorised representative. Appointment of multiple corporate representatives

The Board may further authorise any person to enter into on behalf of all Shareholders having an interest in any agreement with the Company or other(s) providing for such Dividend and matters in connection therewith and any such agreement made under such authority shall be effective. - (b) If on three (3) consecutive occasions notices or other documents have been sent through the post to any Shareholder (or, in the case of joint holders of a share, the first holder named on the register) at his registered address but have been returned undelivered, such Shareholder (and, in the case of joint holders of a Share, all other joint holders of the share) shall not thereafter be entitled to receive or be served (save as the Board may elect otherwise pursuant to paragraph (a) of this Article) and shall be deemed to have waived the service of notices and other documents from the Company until he shall have communicated with the Company and supplied in writing a new registered address for the service of notices on him.

This Article is without prejudice to the rights of the holders of Shares issued upon special terms and conditions. Distribution of assets in winding up
- 176 If the Company shall be wound up (in whatever manner) the liquidator may, with the sanction of a Special Resolution and any other sanction required by the Companies Act, divide among the Shareholders in specie or kind the whole or any part of the assets of the Company whether the assets shall consist of property of one kind or shall consist of properties of different kinds and the liquidator may, for such purpose, set such value as he deems fair upon any one or more class or classes of property to be divided as aforesaid and may determine how such division shall be carried out as between the Shareholders or different classes of Shareholders and the Shareholders within each class. The liquidator may, with the like sanction, vest any part of the assets in trustees upon such trusts for the benefit of Shareholders as the liquidator, with the like sanction, shall think fit, but so that no Shareholder shall be compelled to accept any Shares or other assets upon which there is a liability. The Company may take out and pay the premium and other moneys for the maintenance of insurance, bonds and other instruments for the benefit either of the Company or the Directors (and/or other officers) or any of them to indemnify the Company and/or Directors (and/or other officers) named therein for this purpose against any loss, damage, liability and claim which they may suffer or sustain in connection with any breach by the Directors (and/or other officers) or any of them of their duties to the Company.  - (iii) the Company has not at any time during the said periods of twelve (12) years and three (3) months received any indication of the existence of the holder of such Shares or of a person entitled to such Shares by death, bankruptcy or operation of law.

- (b) To give effect to any such sale the Board may authorise any person to transfer the said Shares and the instrument of transfer signed or otherwise executed by or on behalf of such person shall be as effective as if it had been executed by the registered holder or the person entitled by transmission to such Shares, and the purchaser shall not be bound to see to the application of the purchase money nor shall his title to the Shares be affected by any irregularity or invalidity in the proceedings relating to the sale. The net proceeds of the sale will belong to the Company and upon receipt by the Company of such proceeds it shall become indebted to the former Shareholder for an amount equal to such net proceeds. Notwithstanding any entries made by the Company in any of its books or otherwise howsoever, no trusts shall be created in respect of such debt and no interest shall be payable in respect of it and the Company shall not be required to account for any money earned from the net proceeds which may be employed in the business of the Company or as it thinks fit. - 4 The Board may issue options, warrants or convertible securities or securities of similar nature conferring the right upon the holders thereof to subscribe for, purchase or receive any class of Shares or other securities of the Company, which options, warrants or convertible securities or securities of similar nature conferring the right upon the holders thereof may be issued on such terms as the Board may from time to time determine. Options, warrants or convertible securities

- 5 (a) Subject to the Companies Act and without prejudice to Article 11, if at any time the share capital of the Company is divided into different classes of Shares, all or any of the special rights attached to any class (unless otherwise provided for by the terms of issue of the Shares of that class) may, subject to the provisions of the Companies Act, be varied, modified or abrogated with the sanction of a Special Resolution passed at a separate general meeting of the holders of the Shares of that class. To every such separate general meeting the provisions of these Articles relating to general meetings shall *mutatis mutandis* apply, but so that the necessary quorum (whether at a separate general meeting or at its adjourned meeting) shall be not less than a person or persons together holding (or, in the case of a Shareholder being a corporation, by its duly authorised representative) or representing by proxy not less than one-third (1/3) in nominal value of the issued Shares of that class, that the quorum for any meeting adjourned for want of quorum shall be two (2) Shareholders present in person (or in the case of the Shareholder being a corporation, by its duly authorised representative) or by proxy (whatever the number of Shares held by them), that every holder of shares of the class shall be entitled on a poll to one (1) vote for every such share held by him and that any holder of Shares of the class present in person (or in the case of the Shareholder being a corporation, by its duly authorised representative) or by proxy may demand a poll. How rights of shares may be modified
- (b) The provisions of this Article shall apply to the variation or abrogation of the rights attached to the Shares of any class as if each group of Shares of the class differently treated formed a separate class the rights whereof are to be varied or abrogated.
- (c) The special rights conferred upon the holders of any Shares or class of Shares shall not, unless otherwise expressly provided in the rights attaching to the terms of issue of such Shares be deemed to be altered by the creation or issue of further Shares ranking *pari passu* therewith.
- 6 The authorised share capital of the Company on the date of the adoption of these Articles is US\$100,050,000 divided into 500,000,000 ordinary shares of par value US\$0.0001 each (“**Ordinary Shares**”) and 100,000,000 preferred shares of par value US\$1.00 each (“**Preferred Shares**”). Authorised Share Capital
- 6A The rights and obligations attaching to any Preferred Share are different from those of Ordinary Shares and shall be determined at the time of issue by the Directors in their absolute discretion. Each Preferred Share shall be issued by the Directors on behalf of the Company as part of a class.
- 7 The Company in general meeting may from time to time, whether or not all the Shares for the time being authorised shall have been issued and whether or not all the Shares for the time being issued shall have been fully paid up, by Ordinary Resolution increase its share capital by the creation of new Shares, such new capital to be of such amount and to be divided into Shares of such class or classes and of such amounts in any currency as the Shareholders may think fit and as the resolution may prescribe. Power to increase capital
- 8 Any new Shares shall be issued upon such terms and conditions and with such rights, privileges or restrictions attached thereto as the general meeting resolving upon the creation thereof shall direct, and if no direction be given, subject to the provisions of the Companies Act and of these Articles, as the Board shall determine; and in particular such Shares may be issued with a preferential or qualified right to participate in Dividends and in the distribution of assets of the Company and with a special right or without any right of voting. On what conditions new shares may be issued

- 9 The Board may, before the issue of any new Shares, determine that the same, or any of them, shall be offered in the first instance, and either at par or at a premium, to all the existing holders of any class of Shares in proportion as nearly as may be to the number of Shares of such class held by them respectively, or make any other provisions as to the allotment and issue such Shares, but in default of any such determination or so far as the same shall not extend, such Shares may be dealt with as if they formed part of the capital of the Company existing prior to the issue of the same. When to be offered to existing shareholders
- 10 Except so far as otherwise provided by the conditions of issue or by these Articles, any capital raised by the creation of new Shares shall be treated as if it formed part of the original capital of the Company and such Shares shall be subject to the provisions contained in these Articles with reference to the payment of calls and instalments, transfer and transmission, forfeiture, lien, cancellation, surrender, voting and otherwise. New shares to form part of original capital
- 11 (a) Subject to the Statutes and where applicable, the Designated Stock Exchange Rules and without prejudice to any special rights of restrictions for the time being attached to any shares or any class of shares, all unissued Shares and other securities of the Company (whether forming part of the original or any increased capital) shall be at the disposal of the Board and it may offer, allot (with or without conferring a right of renunciation), grant options over or otherwise dispose of them to such persons, at such times, for such consideration and generally on such terms (subject to Article 9) as it in its absolute discretion thinks fit, but so that no Shares shall be issued at a discount to their par value. The Board shall, as regards any offer or allotment of Shares, comply with the provisions of the Companies Act, if and so far as such provisions may be applicable thereto. In particular and without prejudice to the generality of the foregoing, the Board is hereby empowered to authorize by resolution or resolutions from time to time the issuance of one or more classes or series of preferred shares and to fix the designations, powers, preferences and relative, participating, optional and other rights, if any, and the qualifications, limitations and restrictions thereof, if any, including, without limitation, the number of shares constituting each such class or series, dividend rights, conversion rights, redemption privileges, voting powers, full or limited or no voting powers, and liquidation preferences, and to increase or decrease the size of any such class or series (but not below the number of shares of any class or series of preferred shares then outstanding). For the avoidance of doubt, the Board is authorised to determine the rights given to each class or series of preferred shares without the approval of the Members. Without limiting the generality of the foregoing, the resolution or resolutions providing for the establishment of any class or series of preferred shares may, to the extent permitted by law, provide that such class or series shall be superior to, rank equally with or be junior to the preferred shares of any other class or series. Unissued Shares at the disposal of the Directors
- (b) Neither the Company nor the Board shall be obliged, when making or granting any allotment of, offer of, option over or disposal of Shares or other securities of the Company, to make, or make available, and may resolve not to make, or make available, any such allotment, offer, option or Shares or other securities to Shareholders or others with registered addresses, or in any particular territory or territories being a territory or territories where, in the absence of a registration statement or other special formalities, this would or might, in the opinion of the Board, be unlawful or impracticable, or the existence or extent of the requirement for such registration statement or special formalities might be expensive (whether in absolute terms or in relation to the rights of the Shareholder(s) who may be affected) or time consuming to determine. The Board shall be entitled to make such arrangements to deal with fractional entitlements arising on an offer of any unissued Shares or other securities as it thinks fit, including the aggregation and the sale thereof for the benefit of the

Company. Shareholders who may be affected as a result of any of the matters referred to in this paragraph (b) shall not be, and shall be deemed not to be, a separate class of Shareholders for any purposes whatsoever. Except as otherwise expressly provided in the resolution or resolutions providing for the establishment of any class or series of preferred shares, no vote of the holders of preferred shares or of ordinary shares shall be a prerequisite to the issuance of any shares of any class or series of the preferred shares authorized by and complying with the conditions of the Statutes.

The Board may accept the surrender of any Share liable to be forfeited hereunder and in such cases references in these Articles to forfeiture shall include surrender. If notice not complied with shares may be forfeited
- 51 Any Share so forfeited shall be deemed to be the property of the Company, and may be re-allotted, sold or otherwise disposed of on such terms and in such manner as the Board thinks fit and at any time before a sale or disposition, the forfeiture may be cancelled on such terms as the Board thinks fit. Forfeited shares to become property of Company
- 52 A person whose Shares have been forfeited shall cease to be a Shareholder in respect of the forfeited Shares, but shall, nevertheless, remain liable to pay to the Company all moneys which, at the date of forfeiture, were payable by him to the Company in respect of the forfeited Shares, together with (if the Board shall in its discretion so require) interest thereon from the date of forfeiture until the date of actual payment (including the payment of such interest) at such rate not exceeding 20% per annum as the Board may prescribe, and the Board may enforce the payment thereof if it thinks fit, and without any deduction or allowance for the value of the Shares at the date of forfeiture, but his liability shall cease if and when the Company shall have received payment in full of all such moneys in respect of the Shares. In such case, the following provisions shall apply:
- (A) the basis of any such allotment shall be determined by the Board;
 - (B) the Board, after determining the basis of allotment, shall give not less than ten (10) clear days' notice in writing to the Shareholders of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;
 - (C) the right of election may be exercised in respect of the whole or part of that portion of the Dividend in respect of which the right of election has been accorded; and
 - (D) Dividend (or that part of the Dividend to be satisfied by the allotment of Shares as aforesaid) shall not be payable in cash in respect whereof the cash election has not been duly exercised (the "**non-elected Shares**") and in lieu and in satisfaction thereof Shares shall be allotted credited as fully paid to the holders of the non-elected Shares on the basis of allotment determined as aforesaid and for such purpose the Board shall capitalise and apply out of any part of the undivided profits of the Company or any part of any of the Company's reserve accounts (including any special account, or share premium account (if there be any such reserve)) as the Board may determine, a sum equal to the aggregate nominal amount of the Shares to be allotted on such basis and apply the same in paying up in full the appropriate number of Shares for allotment and distribution to and amongst the holders of the non-elected Shares on such basis;
- or
- (ii) that Shareholders entitled to such Dividend will be entitled to elect to receive an allotment of Shares credited as fully paid in lieu of the whole or such part of the Dividend as the Board may think fit on the basis that the Shares so allotted shall be of the same class or classes as the class or classes of Shares already held by the allottee. In such case, the following provisions shall apply:
- (A) the basis of any such allotment shall be determined by the Board;

- (B) the Board, after determining the basis of allotment, shall give not less than ten (10) clear days' notice in writing to the Shareholders of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;
 - (C) the right of election may be exercised in respect of the whole or part of that portion of the Dividend in respect of which the right of election has been accorded; and
 - (D) the Dividend (or that part of the Dividend in respect of which a right of election has been accorded) shall not be payable on Shares in respect whereof the Share election has been duly exercised (the "**elected Shares**") and in lieu thereof Shares shall be allotted credited as fully paid to the holders of the elected Shares on the basis of allotment determined as aforesaid and for such purpose the Board shall capitalise and apply out of any part of the undivided profits of the Company or any part of any of the Company's reserve accounts (including any special account, contributed surplus account, share premium account and capital redemption reserve fund (if there be any such reserve)) as the Board may determine, a sum equal to the aggregate nominal amount of the Shares to be allotted on such basis and apply the same in paying up in full the appropriate number of Shares for allotment and distribution to and amongst the holders of the elected Shares on such basis.
- (b) The Shares allotted pursuant to the provisions of paragraph (a) of this Article shall rank *pari passu* in all respects with the Shares then in issue and held by the allottee in respect of which they were allotted, save only as regards participation:
- (i) in the relevant Dividend (or the right to receive or to elect to receive an allotment of Shares in lieu thereof as aforesaid); or
 - (ii) in any other distributions, bonuses or rights paid, made, declared or announced prior to or contemporaneously with the payment or declaration of the relevant Dividend unless, contemporaneously with the announcement by the Board of its proposal to apply the provisions of sub-paragraph (i) or (ii) of paragraph (a) of this Article in relation to the relevant Dividend or contemporaneously with its announcement of the distribution, bonus or rights in question, the Board shall have specified that the Shares to be allotted pursuant to the provisions of paragraph (a) of this Article shall rank for participation in such distribution, bonus or rights.
- (c) The Board may do all acts and things considered necessary or expedient to give effect to any capitalisation pursuant to the provisions of paragraph (a) of this Article with full power to the Board to make such provisions as it thinks fit in the case of Shares becoming distributable in fractions (including provisions whereby, in whole or in part, fractional entitlements are aggregated and sold and the net proceeds distributed to those entitled, or are disregarded or rounded up or down or whereby the benefit of fractional entitlements accrues to the Company rather than to the Shareholders concerned), and no Shareholders who will be affected thereby shall be, and they shall be deemed not to be, a separate class of Shareholders by reason only of the exercise of this power. The Board may authorise any person to enter into on behalf of all Shareholders interested, an agreement with the Company providing for such capitalisation and matters incidental thereto and any agreement made pursuant to such authority shall be effective and binding on all concerned.

- (d) The Company may upon the recommendation of the Board by Ordinary Resolution resolve in respect of any one particular Dividend that notwithstanding the provisions of paragraph (a) of this Article a Dividend may be satisfied wholly in the form of an allotment of Shares credited as fully paid without offering any right to Shareholders to elect to receive such Dividend in cash in lieu of such allotment.
- (e) The Board may on any occasion determine that rights of election and the allotment of Shares under paragraph (a) of this Article shall not be made available or made to any Shareholders with registered addresses in any territory where in the absence of a registration statement or other special formalities the circulation of an offer of such rights of election or the allotment of Shares would or might be unlawful or impracticable or the legality or practicability of which may be time consuming or expensive to ascertain whether in absolute terms or in relation to the value of the holding of Shares of the Shareholder concerned, and in such event the provisions aforesaid shall be read and construed subject to such determination and no Shareholder who may be affected by any such determination shall be, and they shall be deemed not to be, a separate class of Shareholders for any purposes whatsoever.
- (f) Subject to the Designated Stock Exchange Rules, any resolution declaring a Dividend or other distribution on Shares of any class, whether a resolution of the Company in general meeting or a resolution of the Board, may specify that the same shall be payable or made to the persons registered as the holder of such Shares at the close of business on a particular date or at a particular time on a particular date, and thereupon the Dividend or other distribution shall be payable or made to them in accordance with their respective holdings so registered, but without prejudice to the rights inter se in respect of such Dividend or other distribution between the transferors and transferees of any such Shares. The provisions of this Article shall *mutatis mutandis* apply to determining the Shareholders entitled to receive notice and vote at any general meeting of the Company, bonuses, capitalisation issues, distributions of realised and unrealised capital profits or other distributable reserves or accounts of the Company and offers or grants made by the Company to the Shareholders.

148 The Board may, before recommending any Dividend, set aside out of the Reserves profits of the Company such sums as it thinks fit as a reserve or reserves which shall, at the absolute discretion of the Board, be applicable for meeting claims on or liabilities of the Company or contingencies or for equalising Dividends or for any other purpose to which the profits of the Company may be properly applied, and pending such application may, at the like absolute discretion, either be employed in the business of the Company or be invested in such investments (other than Shares) as the Board may from time to time think fit, and so that it shall not be necessary to keep any investments constituting the reserve or reserves separate or distinct from any other investments of the Company. The Board may also without placing the same to reserve, carry forward any profits which it may think prudent not to distribute by way of Dividend.

149 Unless and to the extent that the rights attached to any Shares or the terms of issue thereof otherwise provide, all Dividends shall (as regards any Shares not fully paid throughout the period in respect of which the Dividend is paid) be apportioned and paid pro rata according to the amounts paid or credited as paid on the Shares during any portion or portions of the period in respect of which the Dividend is paid. For the purposes of this Article no amount paid on a Share in advance of calls pursuant to Article 35 shall be treated as paid on the Share. Dividends to be paid in proportion to paid up capital

- 150 (a) The Board may retain any Dividends or other moneys payable on or in respect of a Share upon which the Company has a lien, and may apply the same in or towards satisfaction of the debts, liabilities or engagements in respect of which the lien exists. Retention of dividends, etc.
- (b) The Board may deduct from any Dividend or other money payable to any Shareholder all sums of money (if any) presently payable by him to the Company on account of calls, instalments or otherwise. Deduction of debts
- 151 Any general meeting sanctioning a Dividend may make a call on the Shareholders of such amount as the meeting fixes, but so that the call on each Shareholder shall not exceed the Dividend payable to him, and so that the call shall be made payable at the same time as the Dividend, and the Dividend may, if so arranged between the Company and the Shareholder, be set off against the call. Dividend and call together
- 152 A transfer of Shares shall not, as against the Company but without prejudice to the rights of the transferor and transferee inter se, pass the right to any Dividend or bonus declared thereon before the registration of the transfer. Effect of transfer
- 153 If two (2) or more persons are registered as joint holders of any Share, any one of such persons may give effectual receipts for any Dividends and other moneys payable and bonuses, rights and other distributions in respect of such Shares. Receipt for dividends by joint holders of share
- 154 Unless otherwise directed by the Board, any Dividend or other moneys payable or bonuses, rights or other distributions in respect of any Share may be paid or satisfied by cheque or warrant or certificate or other documents or evidence of title sent through the post to the registered address of the Shareholder entitled, or, in the case of joint holders, to the registered address of that one whose name stands first in the Register in respect of the joint holding or to such person and to such address as the holder or joint holders may in writing direct. Every cheque, warrant, certificate or other document or evidence of title so sent shall be made payable to the order of the person to whom it is sent or, in the case of certificates or other documents or evidence of title as aforesaid, in favour of the Shareholder(s) entitled thereto, and the payment on any such cheque or warrant by the banker upon whom it is drawn shall operate as a good discharge to the Company in respect of the Dividend and/or other moneys represented thereby, notwithstanding that it may subsequently appear that the same has been stolen or that any endorsement thereon has been forged. Every such cheque, warrant, certificate or other document or evidence of title as aforesaid shall be sent at the risk of the person entitled to the Dividend, money, bonus, rights and other distributions represented thereby. Payment by post
- 155 All Dividends, bonuses or other distributions or the proceeds of the realisation of any of the foregoing unclaimed for one (1) year after having been declared by the Company until claimed and, notwithstanding any entry in any books of the Company may be invested or otherwise made use of by the Board for the benefit of the Company or otherwise howsoever, and the Company shall not be constituted a trustee in respect thereof. All Dividends, bonuses or other distributions or the proceeds of the realisation of any of the foregoing unclaimed for six (6) years after having been declared may be forfeited by the Board and, upon such forfeiture, shall revert to the Company and, in the case where any of the same are securities of the Company, may be re-allotted or re-issued for such consideration as the Board thinks fit and the proceeds thereof shall accrue to the benefit of the Company absolutely. Unclaimed Dividend

The Company may take out and pay the premium and other moneys for the maintenance of insurance, bonds and other instruments for the benefit either of the Company or the Directors (and/or other officers) or any of them to indemnify the Company and/or Directors (and/or other officers) named therein for this purpose against any loss, damage, liability and claim which they may suffer or sustain in connection with any breach by the Directors (and/or other officers) or any of them of their duties to the Company. The net proceeds of the sale will belong to the Company and upon receipt by the Company of such proceeds it shall become indebted to the former Shareholder for an amount equal to such net proceeds. Notwithstanding any entries made by the Company in any of its books or otherwise howsoever, no trusts shall be created in respect of such debt and no interest shall be payable in respect of it and the Company shall not be required to account for any money earned from the net proceeds which may be employed in the business of the Company or as it thinks fit.
